

For Consistent Print Quality and Significant Cost Savings – Choose Katun® NEW-BUILD TONER CARTRIDGES

for many HP and Samsung Printers

Quality Tested in the Field and in Katun's State-of-the-Art Lab

These Katun® new-build toner cartridges provide distinct advantages over many other new-build and refilled toner cartridges sold in the aftermarket. These are truly break-through products, offering end-users a real quality alternative to high-priced OEM toner. They deliver image quality, yield and image density comparable to that of the OEM toner, a claim that many other aftermarket toners cannot make.

TWO YEAR WARRANTY!

- Outstanding Print Quality
- Consistent & Reliable Performance
- Competitively Priced
- Two Year Warranty
- Produced in ISO 9001 Certified Manufacturing Facilities
- Broad Range of Products for use in HP and Samsung Applications!
